Dressel Continues as Vice-Chairman

Kennedy Heads Commissioners

GRAND HAVEN — William L. Kennedy, 62, a farmer from Allendale and chairman of the Board of Commissioners from 1969 to 1972, was elected chairman for 1975 at an organizational meeting Monday afternoon.

Kennedy defeated Donald K. Stoltz of Holland in a 6 to 5 vote. Commissioner James K. Dressel submitted a letter to commissioners withdrawing

from the chairmanship race to seek re-election as vice-chairman and finance committee chairman. Dressel was returned as vice-chairman on a unanimous ballot.

Kennedy served on the old board of supervisors from 1953 to 1963 and was a member of the ways and means committee, the agriculture committee and the taxes and apportionment committee.

He was returned to the county post in 1969 after the board of supervisors was changed to the present board of commissioners.

Commissioners rejected an attempt to enlarge the committee structure of the board from the present five to seven committees. But commissioners agreed to shuffle some of the responsibilities among the existing five committees.

Appointments to committees are expected to be made at the next meeting Jan. 14.

Commissioners voted to change the regular meeting dates from the second Monday to the second Tuesday of each month.

There were no objections to a proposal from Larry Hildore, director of the department of Social Services, to supply information for additional manpower funds made available to Ottawa County to hire unemployed in public service jobs.

Three new members were seated on the board. They were Kenneth Raak representing Park and Port Sheldon townships and parts of Holland township; John Langeland, representing Chester, Wright, and Tallmadge townships and Coopersville, and Marilyn Sherwood representing the Grand Haven area.

Industrial Exemptions Seen Here

City Council agreed Wednesday night to send a letter of intent to Northern Fibre Products Co. which would, subject to compliance with zoning ordinances, establish a Plant Rehabilitation District under Act 198 passed by the Michigan Legislature in 1974.

Subject to compliance with requirements, Northern Fibre would be granted a rehabilitation district in which it would construct an addition and install entirely different equipment from that presently located in the current facility. Tax redemptions would be granted up to 12 years.

City Manager William L. Bopf said further study would be made into all areas of the new act, but, as he understood it, tax relief would amount to some 50 per cent. New additions or rehabilitation programs would be limited to 5 per cent of state equalized valuation which in Holland's case would be \$7.5 million. Each application would involve at least \$150,000 and would not exceed \$1 million. Should cities wish to grant more than the 5 per cent limitation, additional hearings, applications to the state, etc., would be necessary.

In any event, public hearings would be held in establishing all rehabilitation districts which could be as large as an entire industrial park, or as small as a portion of a single building.

Bopf said he understood in the case of remodeling or rehabilitation, current assessments would remain in effect for the 12-year period, but in the event of new additions, 50 per cent of the taxes would be paid for 12 years.

He said Michigan was the 49th state to adopt an act granting tax exemptions for industrial expansion or relocations. Previously, it was illegal to grant exemptions of any kind. The tax exemptions in the act are carefully controlled, allowing expansion only in areas where industries already are located, thereby eliminating "pirating" of plants.

Holland Facility Dedicated

Life Patrons Of Kandu Honored

A festive air of success strengthened with a firm commitment to continued progress marked the tribute to life patrons and dedication of the Holland Kandu Industries Tuesday evening at the facility.

Life patrons, state legislators, city officials, Kandu board members and staff and special guests toured the sheltered workshop at 13th St. and Van Raalte Ave. which has been remodeled to employ 35 additional clients. The center currently employs 65 handicapped persons.

Two Kandu board members were singled out repeatedly by speakers during the evening program as indicative of the drive necessary to get a program such as Kandu into operation: Mrs. Ruth Van Duren and O. W. Lowry.

Jesting that on many occasions in his initial search for funds for Kandu, he would have been "bludgeoned to death" if it had not been for Mrs. Van Duren's presence, Lowry sincerely thanked the life patrons as scrolls bearing the inscription "for giving us the opportunity to earn an honest livelihood, rather than being forced to the dreadful alternative of holding up our hand for charity," and signed by the 65 clients were presented to each of the 39 patrons.

Lowry noted that the \$103,000 contributed by life patrons, if averaged came to \$2,600 each, but with matching state funds each patron was responsible for approximately \$5,300.

The board formally acknowledged the contribution of Lowry and Mrs. Van Duren, unable to be present because of hospitalization, with a resolution signed by numerous persons at the dinner.

Organizations around the state such as Kandu traditionally award a plaque to the local contractor which has contributed the most to operation of the facility. Roy Sullivan, operations manager at Kandu, noting that General Electric of Holland installed and adopted expensive machinery in the workshop in addition to sub-contracting with Kandu, presented the award to Chuck Schaap

representing General Electric. U. S. District Court Judge Wendell A. Miles, main speaker for the evening, paid tribute to Mrs. Van Duren whom he credited with "reshaping his thinking about people rejected in the community."

Miles recalled his early days as prosecutor in Grand Haven when he first met Mrs. Van Duren, then the only county juvenile agent. "She did much to change my thinking about the rehabilitation of youth," Miles said.

"When I think of Kandu, I think of O. W. Lowry," the judge continued and charged his audience to continue their assistance to Lowry and Mrs. Van Duren who had assumed the leadership.

"The highest act of citizenship is participation and it is for us to join the group of doers to sustain Kandu," the judge concluded.

Rep. Guy Vander Jagt paid a short surprise visit at the reception and congratulated those present on the "tremendous accomplishment... bringing new life, hope and meaning into the lives of human beings. You made it possible to help people do the things they didn't think it was possible to do themselves."

Also congratulating the group on their accomplishment were Mayor Louis Hallacy, Ray Hinz of the Michigan Department of Rehabilitation and Paul Van Der Velde, director of the Community Mental Health Services of Ottawa County.

Clifford Crocoll, president of the Board of trustees of Kandu Industries, who presided at the meeting, explained that Kandu is embarking on a new phase, to improve the life styles of the clients through the use of simulated settings.

David Steenberg, Kandu director, gave the invocation and John Van Eenennaam, first vice president of the board, introduced Judge Miles.

A list of the life patrons follows: Richard W. and Mary E. Ambrose, John Thomas Batts, William and Marion Beebe, J. Russel and Julia Bouws, W. J. Bradford Paper Co., Brooks

Products Co., W. A. and Dorothy Butler, Charles F. and Elsie A. Conrad, William C. and Marie De Roo, R. A. and Jack De Witt, Willis A. and Beatrice Diekema and John and Katherine Donnelly.

Hohmann, in memory of Alice Donnelly Hohmann, First Michigan Bank and Trust Co., First National Bank and Trust Co., Henry A. and Jean Geerds, Robert G. and Joan Hall, Hart and Cooley Mfg. Co., Mr. and Mrs. A. J. Mervenne, Mr. and Mrs. G. W. Haworth, Russell and Elizabeth Klaasen and Joe and Betty Knoll.

Other life patrons are Mr. and Mrs. William E. La Barge, O. William and Sara H. Lowry, James and Leona S. Lugers, Mr. and Mrs. Isaac H. Marsilje, Mr. and Mrs. A. J. Mervenne, Mr. and Mrs. Howard C. Hearing Set For Paving South Shore

City Council has scheduled a public hearing Feb. 11 for paving South Shore Dr., an issue which has been in planning and litigation for some five years. Litigation related to assessments involving appeals was settled late in December when the Michigan Supreme Court announced it would not hear an appeal on action taken by the Court of Appeals which upheld the city in assessments.

Council deleted the planned bicycle path in view of mounting costs. The hearing was set in February so that the city may proceed with applying for a federal grant of some \$400,000 for the construction. The hearing will be in Council chambers in City Hall.

At its meeting Wednesday night, Council retained the firm of Dickinson, Wright, McKean and Cudlip as bond counsel for the sale of bonds for public improvements in 1975.

Council revised the traffic schedule to prohibit parking by other than handicapped visitors in the first two parking spaces on the west side of the parking lot immediately behind District Court, and to provide a sign for "compact car only" opposite the corner of a retaining wall in the Ninth St. parking lot at the rear of the Holland Sentinel. The latter carried 5-3, some members were of the opinion that parking in that space should be eliminated.

Council also approved a directional sign for Hope College on 16th St., either at College or Columbia Aves., associated with signs on the Gerald R. Ford freeway directing college traffic over Adams (16th) St. Signs, similar to those at 12th St. and River Ave., will be financed by the college. The action is subject to permission from the State Highway Department.

City Manager William L. Bopf informed Council that hereafter the Liquor Control Commission no longer will notify local governments of annual renewal of licenses before April 1. Bopf said he is asking department heads to provide recommendations on renewals within the city sometime in February.

A resolution was adopted commending the "Living End" and "Bond of Love" singers of Wesleyan Methodist Church for winning first place in national competition recently. The two song groups are directed by Birt Hilson.

The Feb. 5 meeting was rescheduled to Feb. 3 at 7:30 p.m.

Council approved a preliminary plat of the Schrotenboer subdivision consisting of six lots on the south side of 30th St. west of Ottawa Ave. opposite Colonial Greens. It was indicated the proposed plat complies with zoning and subdivision requirements.

Five surplus trucks of the street department, all 1967 models, were sold to high bidders, amounting to a total of \$5,521. Two went to Louis Padnos Iron and Metal Co., two to Rumsey Truck and Equipment, and one to Vic Brink. There were 19 bids in all.

Claims against the city were filed for Jennie Prince and Nicholas A. Yonker. They were referred to the city's insurance carrier and the city attorney.

The city manager reported gifts of a new overhead projector valued at \$165 for the fire department from the Holland Association of Independent Insurance Agents, and a \$300 contribution to the Police Community Services Unit from Philip D. Miller. They were accepted with thanks.

A petition for a sanitary sewer in Lincoln Ave. from 48th St. to a point 870 feet south were referred to the city manager for report.

Hospital Board gifts included a wheel chair from the Thursday Service League, equipment from the Margaret Hummer Guild and \$1,000 from Nellie Labatz. Library gifts included a sculpture from the Holland Friends of Art. These and several other smaller gifts were accepted with thanks.

Council approved expenditure of \$8,200 for third floor renovations on the City Hall.

Kathy Ryzenga, 140 West 19th St., sought sewer connections for two recently moved houses, and was referred to the Department of Environmental Health, since Council is in the process of studying costs and establishing new policies for sanitary sewers after the \$1,000 policy has been suspended. All Councilmen were present except Hazen Van Kampen. The invocation was given by the Rev. Thomas Vanden Heuvel of Central Avenue Christian Reformed Church.

The denomination competition

A PAIR OF FIRSTS — Displaying the Wesleyan Youth symbol, these are the first place medals that went to the Living End and the Bond of Love Singers in National Wesleyan Competition.

National Honors For Local Singers

The Living End and the Bond of Love Singers, who originate from the Central Wesleyan Church of Holland, returned home Dec. 28 from St. Louis, Mo. where they took first place honors in their respective divisions in national competition in the Wesleyan denomination.

The groups left Christmas

is divided into four areas of the nation, all of which through the district and area competition send one group to national competition.

Under the direction of Birt Hilson, the Living End competed in the choral division. The group consists of 97 singers, who come from many different churches around the Holland area. Ages in the group range from 12 to 20 and grades range from 7th to college.

Living End originated six years ago and numbered around 15 members. Presently it has expanded to nearly 120 members. In order to participate in the group, members must have an active part in the youth department.

The Bond of Love, originated three years ago consists of 14 singers out of the Living End. They competed in the large ensemble division, which is for groups numbering between 10 and 21.

The groups are directed by Birt Hilson, who is presently working as the assistant to the pastor at the Central Wesleyan Church.

Both of the groups travel around the Holland area and the state presenting concerts, using a wide variety of religious music, from very quiet to a faster pace, often using a piano accompaniment or prerecorded orchestration.

Starting this year the Living End will be divided into two choirs. One will be for senior high singers and one for junior high.

They will begin working on two musicals for presentation in early spring. The senior high group will be working on a new musical called "Here Comes The Son" and the junior high group will prepare the musical "Life."

night for the General Wesleyan Youth Convention by six chartered buses and arrived in St. Louis Thursday morning. The convention, which is held every four years, consisted of two days of competition, seminars, lectures and guest speakers.

The denomination competition

tap in a missed shot. Mickey Ott went on a scoring spree in the third quarter, as he pumped in seven of his game high 12 field goals. St. Joe once again tallied 28 points in the period compared to 10 for Holland.

Holland did come back to outscore St. Joseph in the fourth stanza, 19-14, as reserve Ron Noyd dropped in three fielders.

De Young played an outstanding overall game. The slick moving Dutch guard led his club in scoring with 16 counters and also did a nice job in breaking through the Bear defense.

Lawson followed with 12 points and Van Wylen with 10. Sub Henry Follmer followed Ott with 14 markers. Holland held high scoring forward Mike Ryan to nine points.

"That was by far the best game De Young has played," stated Piersma.

"The Dutch are now 2-6 for the season and the Bears 5-2. Holland's reserves also went down to defeat, 66-50 to a fine Bear squad. Steve DeVette, Dan Molenaar and Frank Peterson led the Dutch in scoring with 12, 10 and 10 counters in that order.

The loss was only Holland's second in eight outings.

Holland (63) — Lawson, 4-12; Holcombe, 1-0-2; Schreiner, 1-3; 5. Van Wylen, 5-0-

Panthers Go Down To 93-72 Setback

By Bill Ferry
WYOMING — The snow wasn't the only thing that fell in Wyoming Rogers Friday night as the West Ottawa Panthers dropped their seventh straight basketball game with a final score of 93-72.

The first quarter proved to be like a fingerprint as it was the same as all the others with many mistakes being committed by the Panthers.

Mark Visser was finally brought back into play in the first quarter of last night's action after being suspended for three games. The final score at the end of the first quarter was Rogers 32, West Ottawa 8.

The second quarter showed the Panthers starting to narrow Rogers lead but getting so far behind in the first quarter made catching up nearly impossible. At this point in the ball game the Panthers started to show signs of committing far too many penalties and also threw the ball away a few too many times. The score at this point was 48-29 in favor of the Hawks.

Third quarter action showed Visser being fouled out of the game along with Jim White. The Panthers kept the ball rolling but it kept rolling out of their hands, losing control several times.

At the end of the third period it was the Hawks 70, the Panthers 51.

In the fourth quarter two more of the Panthers fouled out of the game. They were Jack Murdoch and Don Scheerhorn.

At this point the Hawks were substituting men rather freely. Three fresh Panther players, Mike Brown, Rick Van Dyke and Mike Eilander, were sent into the game to attempt to revitalize the Panther attack but just couldn't pull it out with a final score of 93-72 in favor of the Hawks.

Mark Bosma was the leading

scorer for West Ottawa with 23 points. Dan Scheerhorn had 12, John Van Eenenaam was close behind with 11 points.

The night wasn't a total loss however with the West Ottawa JV team running away with their ball game with a final score of 76-60. Coach Led Hosner called the Panther second win "the best" game of the season.

The scorers in that ball game were Clark Laarmann with 15 counters, Jack Barrett with 14, and Mark Kline with 10.

West Ottawa (72) — White, 2-6; Bosma, 10-3-23; Scheerhorn, 5-12; Solis, 1-3-3; Murdoch, 1-0-2; Bielby, 0-2-2; Van Eenenaam, 3-5-11; Visser, 3-2-8; Eilander, 1-0-2; Moeke, 1-2-4. Totals 27-18-72.

Rogers (93) — Thompson, 9-3-21; Slowell, 4-9-17; Zech, 1-0-2; Carroll, 8-4-16; Paganelli, 5-0-10; E. Chappell, 5-7-17; S. Chappell, 1-0-2; McDonald, 2-0-4; Pinder, 1-0-2; Henderson, 1-0-2. Totals 35-23-93.

Brothers Give Deputies Hard Time

ALLEGAN — Frank and Jesse James were never this much of a problem.

At least that's what the Allegan County Sheriff Department and county welfare workers were thinking Monday as they tried to round up two young brothers, aged 8 and 10, who escaped from their temporary foster home in a stolen jeep with a pair of shotguns and a rifle at their side.

The boys were captured once when they burned out the engine of their getaway vehicle, but escaped when they locked a social worker out of his office and exited through a window.

They were caught a second time by sheriff's deputies in a field near here after a resident in the area phoned the sheriff's department to report two young boys were hiding in his basement.

The first chase lasted 2½ hours after the boys jumped into the jeep and escaped a foster home near Ganges run by Joseph Schalte. The boys escaped at 3:30 a.m. after breaking a lock on a gun cabinet and taking the two shotguns and a .22-caliber rifle.

"They're good boys," Schalte said afterwards. "The only trouble they'd had was they didn't want to go to school."

After burning out the jeep, the boys trooped off into the snow — which made them easy pickings for the deputies who just followed their footprints to an abandoned home where the boys were found in the basement.

The boys were turned over to the Allegan County Social Services Department whose offices the youths made their second escape.

They were recaptured and this time separated with one taken to a foster care facility in Allegan and the other taken to one in Muskegon.

Mrs. Noreen Betteridge, a child welfare worker in Allegan, said the boys were placed on an interim basis in the Schalte home after their mother came to the Social Services Department begging for help, saying she couldn't control the lads.

Mrs. Betteridge said the mother had been separated from her husband and the boys had a record of minor shoplifting and a reputation for making mischief.

The two were taken to the Schalte home Nov. 22, where they stayed until 3:30 a.m. Monday when Schalte said his wife "seen 'em pull out with the jeep."

He said the boys ripped out about 40 feet of fence and tore down telephone wires with the jeep in their escape.

Mrs. Betteridge said the boys fled the Schalte home because they had to go to bed early.

"Their mother had let them stay up to see the late-late shows," Mrs. Betteridge explained.

Authorities declined to identify the youths.

PRESIDENTIAL EXAMPLE

President Ford has said remarkably little about the importance of keeping in good shape. What he has done is far more effective: he has made the point by example rather than exhortation.

The most recent instance is Mr. Ford's daily skiing excursions while on holiday in Colorado. Judging by pictures taken on the slopes, he is more fit than many a man a decade younger. We'd say the President is being quietly persuasive about the value of exercise as an element in good health.

Two Kent County Men Charged In Zeeland Robbery

GRAND HAVEN — Two Kent County men, charged in connection with an alleged armed robbery and abduction involving a Zeeland township family, appeared in District Court Monday and requested a court appointed attorney.

Held under \$30,000 bond each in the Kent County jail were Richard Lewis of Wyoming and Dennis Hulson of Grand Rapids, both 26 years. They were charged with armed robbery, rape and abduction.

The two were held in Kent County where they were arraigned earlier on armed robbery charges in a robbery of a service station.

The two were ordered to return to Grand Haven for a court appearance Jan. 13.

Deputies said two men approached the Zeeland township home New Year's Day and robbed the couple of \$70 and forced the couple's 41-year-old daughter to accompany them in her car.

The parents were left in their home with hands tied but managed to free themselves. The daughter was freed hours later by the two subjects who were arrested later at their homes.

Sunday School Lesson

The Suffering Savior
Mark 8:27-38
By C. P. Dame

Work and suffering play a large part in life. Jesus was a worker and a sufferer. Our lesson contains the very words of Jesus which tell of his suffering before it took place. His prophetic words were fulfilled. Jesus suffered all throughout his life — as a boy, teenager and an adult. His sensitive nature, due to his holiness, increased his suffering. He felt more deeply than his associates. In the study of this lesson it is good to give some attention to the hidden suffering of the Lord in addition to the intense suffering recorded in the text. Bear in mind that the suffering of Jesus was redemptive.

1. Jesus asked questions — and was asked. Often Jesus was surrounded by people. He was a celebrity. At times he withdrew from the crowds to be by himself or with his disciples whom he was training. The name Caesarea Philippi is associated with the great confession of Peter where it was made. "Whom do men say that I am?" This question Jesus asked, not to the crowd but to his disciples who were close to him. Jesus had been preaching, teaching, and performing miracles among people — what were they saying about him?

The answer was complimentary but inadequate. People associated Jesus with God's great men — John the Baptist, Elijah, and the prophets. The personal question followed, "But whom say ye that I am?" Note the word, "But." Peter's answer, "Thou art the Christ," indicated that he believed Jesus is the fulfillment of all the Old Testament prophecies regarding the Coming Messiah for whom the devout of the ages had been looking. The disciples were told not to tell their confession for the people were not ready to receive it.

II. Jesus understood his mission. The Messiah the people had expected differed from the description Jesus gave about himself — note the words, "suffer," "rejected," "killed," by the religious leaders. Peter disagreed with Jesus and told him so — today some disagree for they do not believe in an atoning Jesus who suffered redemptively for mankind's sins. The mind of Jesus and that of Peter were at odds, their thinking differed. Eventually Peter learned to understand the Lord's suffering-redemptive mission. The Holy Spirit taught Peter about the substitutionary suffering and death of Jesus Christ.

III. Jesus makes costly demands. After calling the people and the disciples to him Jesus spoke about the high cost of discipleship. It is not cheap. Self-indulgence is common. Jesus demands self-denial, "let him deny himself" say no to self and take up his cross, and follow him. Much is said in the Bible about life. Jesus tells how to really live. Some believe him, many don't. According to Jesus a person gains life by losing it for his sake and for the gospel's sake and a person loses life trying to save it, living for self only.

Gaining the world at the price of the soul is a terrible loss. Overlook not the words about being ashamed of Jesus in an "adulterous and sinful generation." These words fit our generation. Those who deny Jesus now, he will deny when He will come "in the glory of his Father with the holy angels."

Dutch Turn in Fantastic Effort in Upset Victory

By Leo Martonosi
KALAMAZOO — Holland's basketball team turned in a fantastic effort in upsetting Big 6 leader Kalamazoo Loy Norrix, 65-63 here Tuesday evening in a thriller.

The Knights had only lost one game entering the Dutch contest and defeated St. Joseph, a team that jolted Holland, 83-63 last Friday.

But the Dutch played their finest overall game in beating the big and physical Knights. Two of Loy Norrix's cagers 6'6" Willie Williamson and 6'7" Jim Orbeek had the size of professional football players, as they weighed close to 250 pounds.

Coach Don Piersma called the win a "team effort" which it was. Tom Borgman, who was a regular at the beginning of the season, may have won his starting position back by leading the Dutch in scoring with a career high 16 points. Borgman replaced the sick Dave Van Wylen in the lineup.

Loren Schrotenboer and Ken Bauman chipped in with 13 and 12 markers respectively while Ron Noyd added eight big points, all in the final eight minutes.

Ron Brooks, the leading scorer of the Knights finished as squad leader with 15 points before fouling out with 43 seconds left in the tilt.

Holland finished the night by hitting on over 50 per cent of its shots from the field while the Knights managed 43 per cent against the tough Dutch defense.

It looked from the outset that it was going to be another one of those games for Holland, as Loy Norrix jumped out to a 11-2 bulge. As the first quarter ended, the Dutch only trailed by six points, 15-9.

Bauman went "bananas" in the second stanza, as he fired in four field goals and two free throws to shoot the Dutch out to a surprising 30-29 halftime margin.

The Dutch increased their lead to 47-44 heading into the final quarter. Loy Norrix outscored Holland, 19-18 in the last eight minutes but it wasn't enough, as the Dutch held on for their third win of the season and the first of the new year.

Noyd's red-hot shooting gave Holland a stunning eight point advantage, 60-52 with 4:03 left.

Lawson made a big block on Lester Dixon when the score was 62-59 and grabbed a crucial rebound on a missed free throw to help ice the victory.

Todd De Young made the Knights to go for the tie instead of the triumph by sinking a free throw with four seconds on the scoreboard.

The Dutch did a fine job in

penetrating the zone defense of Loy Norrix to set up easy baskets or gain an opportunity to shoot a charity toss because of a Knight foul.

Holland could have folded in the third period as both Lawson and Bauman had four personals and had to spit out the game for a sell. However, Brooks was the only cager to take an early shower.

Lawson was wearing jersey No. 15 for the second straight outing, as his regular uniform was ripped off during the Christmas break.

Coach Don Johnson's Little Dutch weren't as fortunate, as Loy Norrix broke away in the second half for an easy 86-63 victory.

Holland and the host team both tallied 37 points at the half but the Knights poured in 49 points in the second half to only 26 for the Dutch.

Bobeldyk led the Dutch in scoring with 14 markers. Holland is now 6-3 for the season.

Hudsonville Unity will take on the Dutch Friday night at Hudsonville's Public gym.

Holland (65) — Lawson, 41-9; Holcombe, 0-2; Schrotenboer, 4-13; 7; Borgman, 6-4-15; De Young, 2-15; Noyd, 4-0-8; Bauman, 5-2-12. Totals 25-15-63.

Kalamazoo Loy Norrix (63) — Brooks, 7-1-15; West, 1-2-4; Williamson, 3-1-7; Morehead, 4-2-10; Thompson, 3-2-8; Dixon, 6-1-13; Orbeek, 3-0-6. Totals 37-9-63.

Panthers Lose Heartbreaker In Triple Overtime, 84-80

By Roger Kuiken

KENTWOOD — When two teams with identical records meet, you can expect a close game, but when West Ottawa and Kentwood met Tuesday evening it was excitement galore.

Unfortunately one team has to lose and in this case it was Kentwood edging the Panthers 84-80 in a thrilling triple overtime.

It was by far the best game of the year for Coach Jerry Kissman's Panthers, and had it not been for several players out on fouls in the overtimes, the result could have been different. It was a tough game for the Panthers to lose but they have nothing to be ashamed of in defeat.

One could tell from the outset that this was going to be a cliff-hanger all the way, as the lead changed hands several times in the first period with Kentwood having a 16-12 advantage. But the Panthers narrowed the gap at the half 27-25 on some great rebounding.

It was a case of Kentwood using the fast break against the height advantage of the Panthers. West Ottawa controlled both the offensive and defensive boards.

Jim White played a super game for the Panthers, leading rebounds and scoring 17 big points. The third period was the best performance by the Panthers this year as they hit on 67 per cent of their shots. At one time West Ottawa enjoyed an 11 point lead but Mark Visser, the big Panther center got in serious foul trouble. The Panthers held a 45-44 third period lead.

Kentwood put a hard press on in the final period, and although it hurt the Panthers, some fine play by Bob Moeke kept West Ottawa in the game. Moeke, a senior, had not played until this year and has been doing a fine job at guard for Kissman. Moeke sank two field goals in the closing minutes. The big shot came from White as he stole the ball in the final seconds and swished a bucket as the gun went off, putting the Panthers into the first overtime.

In the first overtime, Dan

Scheerhorn put the Panthers ahead, then Kentwood tied it. Moeke scored and again the Falcons tied it at 68 all. White put W.O. ahead but Brent Kleeves tied it up on two free shots at 70-70.

In the second overtime with nine seconds showing on the clock and Kentwood ahead by two, Scheerhorn tied the game. Buy this time, Visser, Bosma and Jack Murdoch were all on the bench because of fouls.

At this point the score was deadlocked at 76-all going into the third overtime. And in the third overtime the Panthers took a 78-76 lead on White's jumper. The Falcons then got real hot at the foul line and finally won out 84-80 but it didn't come easy.

This was an excellent played game on both sides and certainly all the players showed very good sportsmanship for being such a close game. From here on the Panthers should come on strong as they proved capable of in this game.

West Ottawa had five players in double figures. White led with 17 points followed closely by Moeke who sunk 16. Mark Bosma had 14, Scheerhorn 13 and Visser 11. Murdoch finished with four timely field goals for eight points.

Mark Geerlings played a fine game for Kentwood and sunk 26 points to lead all scorers. Jim Hawkins had 16 and Brent Kleeves got 15 for the Falcons. The Panthers took the seasons high of 85 shots and sunk 34 for a 40 per cent average.

West Ottawa (80) — Scheerhorn, 6-1-13; Bosma, 7-0-14; Visser, 4-3-11; Murdoch, 4-0-8; White, 7-3-17; Moeke, 6-4-16; Van Eenennaam, 0-1-1. Totals 34-12-80.

East Kentwood (84) — Hawkins, 7-2-16; Kleeves, 6-3-15; Geerlings, 11-4-26; Mikesel, 2-5-9; Vreemeyer, 4-0-8; Lee, 3-4-10. Totals 33-18-84.

Safe Driving Tips

The Holland Police Department says that the best defense against winter's skidding accidents is advance planning. "Plan all maneuvers well in advance and then make them gently and gradually — whether stopping, steering or accelerating. If you do go into a skid, steer in the direction of the skid — but gently."

Rezoning Is Rejected By Council

City Council Wednesday night rejected an ordinance to rezone some 21.5 acres on the south side of 48th St. running from Lincoln Ave. and east to the railroad from agricultural to D-2 industrial, but awaited a cit attorney ruling this morning on a final check.

The Council vote was 6 to 2 favoring the rezoning, but because of a written document opposing the rezoning, a three-quarter majority is necessary for passage. One Council member was absent and it would have required seven votes to pass. Deputy City Attorney Don Hann was reasonably sure the issue had not carried Wednesday night, but held the matter open pending final check today.

The Planning Commission had previously denied a request for rezoning a much larger plot, and the owner resubmitted a request for the smaller 21.5 acre plot on the basis of gravity flow to the north.

Dissenting votes were cast by Mayor Lou Hallacy and Donald Oosterbaan. Hazen Van Kampen was absent because of illness. The rezoning issue was one of three public hearings held at the meeting.

Other hearings were on a definition of a public place, a relatively minor item on parking lots at private property allowing police jurisdiction in disorderly cases, and posting prices at restaurants and the like. The latter action was taken on request of the Tulip Time board and will work no hardship on established restaurants which have either menus or posted prices.

Council tabled applications of Resthaven Patrons for rezoning approximately 18 acres and Woodland Partners for rezoning 46 acres in Holland Heights area south of Eighth St. Resthaven plans a new facility in the area and Woodland Partners asked that the single-family residential area be changed to allow two-family and multi dwelling development. The Planning Commission had recommended the requests be denied because of the area plan revision of 1973. Several members of the Resthaven board of trustees were present at the meeting. Further study will be given.

Council also approved a 25-mile speed limit in the area of the rebuilt bridge on Paw Paw Dr. and reinstated the 25-mile limit for the school at 16th St. and 112th Ave., now operated by Calvary Cathedral.

Approval also was given a traffic revision for Crescent Dr. to stop for 16th St. in Montello Park area.

Transfers included \$20,000 to Dial-A-Ride for the first six months of 1975 before voted mileage is collected in the summer taxes and \$1,800 from contingency to the Council miscellaneous fund.

Mayor Hallacy announced a public hearing at 10 a.m. Feb. 10 on the Maplewood Drain, and invited the public to the dedication of the new aerial tower for the fire department.

'Gypsy' Musical Preview Treats Century Clubbers

By Isla Van Eenenaam

Members and guests of the Century Club were given a tantalizing sneak preview by way of scenes from the musical production "Gypsy," currently in rehearsal by the Holland Community Theatre. The dinner meeting was in the Woman's Literary Club Monday evening.

Ruth Burkholder, president of the theatre group, was the narrator, acquainting the audience with the story of the play, introducing in particular, Rose, the mother of Gypsy Rose Lee, as the "epitome of all those middle-aged women who have worked out their belated stage ambitions on their children." Rose is played by Barbara Greenwood.

The cast chosen for the scenes presented, played with few props and no scenery, but had no difficulty in making the situation come alive for the audience. The group of young supporting actors was a delight.

Holly Warren as Louise, one of Rose's daughters, later to be billed as Gypsy Rose, handled well two songs — one "Little Lamb" sung as a young girl in a sweet clear childlike voice and the other "Let Me Entertain You," sung in a voice that gives every evidence of her ability to "belt out" the songs she later would be singing as Gypsy. There no doubt will be many members of the Century Club who will be in audience when Gypsy is ready to open on Jan. 29.

Mrs. Robert Bolte greeted the members before dinner and introduced two guests, Mr. and Mrs. Michael Cole of Dublin, Ireland, Mrs. Cole (Susan) is the daughter of members John and Kay Donnelly.

Mrs. Clarence Becker said grace and dinner was served by the members of the Woman's Literary Club.

Following dinner, Mrs. Robert Bolte presided at a short business meeting. A note of appreciation from Mrs. L. W. Lamb was read thanking the Century Club members for the book entitled "The Horizon

Book of Great Historic Places of Europe" by Davidson which was placed in the Herrick Library as a memorial to her husband, Larrie Lamb Sr.

Committee for arrangements was Mr. and Mrs. Vernon Ten Cate, Dr. and Mrs. Bruce Raymond, Mr. and Mrs. Russell Klaasen, Mr. and Mrs. W. C. Baum, Mr. and Mrs. Alvin Bos, Dr. and Mrs. John Winter, Mr. and Mrs. Robert Sligh and Dr. and Mrs. Lester Kuyper.

The next Century Club meeting will be Monday, Feb. 3, in the home of Dr. and Mrs. Gordon Van Wylen.
